**Tools:** Agile, project management techniques, technical writing

**Soft Skills:** Teamwork, effective communication, adaptability, problem solving

## Projects

---

**Senior Capstone (Myaamia Language Learning Platform)**

*Spring 2025- Fall 2025*

- Collaborated with a team of five to develop a progressive web application for the Myaamia Center to help instructors teach the myaamia language with games.
- Built a database to store user information, myaamia words, and lesson information.
- Applied knowledge of PHP, HTML, SQL, and Javascript to deliver a product specified by a client through multiple interviews.

## Work Experience

---

**Chipotle** | Cincinnati, OH

*Summer 2024*

**Crew Member**

- Delivered excellent customer service in a fast-paced environment to ensure guests have a positive dining experience.
- Ensured cleanliness, food quality, and safety to the restaurant's standards while supporting kitchen and service operations.

**Private Family** | Cincinnati, OH

*2019-2022*

**Math Tutor**

- Taught math to two homeschooled students twice a week. Communicated concepts tailored to each student and provided homework to be completed before the next session.
- Prepared the math curriculum for both students ranging from elementary to middle school skills.

**Cincinnati Recreation Center** | Cincinnati, OH

*2018-2022*

**Program Leader for National Junior Tennis League Program**

- Coached groups of up to 30 kids from ages 9 to 14 during a summer-long program, focusing on improving teamwork through athletic activities.
- Lead multiple locations as the senior staff member from 2020-2022, taking charge of parent communication, leading player activities, and record-keeping.

## Volunteer Experience

---

**Liberty Middle School Robotics Club** | Huntsville, AL

*2021-2023*

**Robotics Competition Judge/Referee**

- Volunteered to referee and score VEX Robotics competitions for elementary and middle school students.
- Ensured the competition proceeded smoothly and rules were followed as Head Referee.
- Interviewed and scored students on how they built their robots for the competition as a competition judge
